Install Vision app in the Entrata App Store

- Log in to Entrata.
- Select the **Apps** option and choose the **3rd-Party Apps** tab.
- Find and click the **Vision** app to install.

NOTE: If you do not see the Vision app in the 3rd-Party Apps tab, please contact Entrata directly for them to get that added to your company's Entrata site.

Access Vision from the Entrata App Store

If this is your first-time access Vision from the Entrata App Store, follow the below steps. You'll only have to do this once.

- From the Entrata **Apps** option, choose the **3rd-Party Apps** tab.
- Find and click the **Vision** app to launch Grace Hill's Vision Learning Management System (LMS).
- Enter the last part of the **Vision URL** – www.gracehillvision.com/**Customer URL** - (replace "Customer URL" with your company's URL information assigned by Grace Hill).
- Next, click the **Continue** button.

Company URL

Please enter your company's Grace Hill Vision URL to continue.

www.gracehillvision.com/

Welcome to Grace Hill Vision!

You must have a valid Username and Password provided by your company to log in. Please reference the Vision LMS Access Instructions document for Username and Password information. If you are having difficulties logging in contact your system administrator or our Help Desk via the contact information below for assistance.

Best of luck to you in your continuing education!

Support

Need help logging in? Whether a Training Administrator or Learner, you have three options to get help:

1. Click the Recover Username and Password link on the left.
For Learners: If the Click the Recover Username and Password link is not available, contact your Training Administrator.
2. Visit and explore our VisionX Self-Help Site - click [here](#)
3. Call us at **(866) 472-2344** Mon - Fri, 8:00am - 8:00pm EST

Have other questions or need some help? [View Additional Support Options](#)

- The company's Vision login page displays.
- Enter your Vision Username and Password, then click **Login** to access Vision site.

NOTE: After you complete the steps above, your Single-Sign-On (SSO) will be activated. You'll then be able to open the Vision app directly from the Entrata App Store without having to log in separately.
